Mrs. Cleda Harrington

For nineteen years of sincere dedication to St. Vincent's Academy, the 1985 Vincentian Staff has the honor of dedicating this yearbook to Mrs. Cleda Harrington. From freshman through senior years at St. Vincent's, she passes her experience, knowledge, and virtues to the students. Her loving, understanding, strong-willed and motivating qualities have been channeled to each of us here. For freshman, she may serve as a source of incentive; but for seniors, she is a source of companionship. All, especially the Seniors, would like to say "Thanks for the memories." For your memorable and honorable years of Service and Friendship to SVA, we thank you and love you.

imee Rhea

I was born in New Orleans, Louisiana. My family moved to Shreveport when I was two years old. I attended Agnew from the age of two through fourteen. Now as a freshman here at Saint Vincent's, I was elected to be the mascot Snoopy and freshman maid on Homecoming court. I am active in debate club along with my partner Margaret Carmody. I enjoy swimming, water skiing, painting, and artwork. I also love ballet and reading and writing poetry. My favorite subject is physical science. My favorite color is yellow. I have two sisters.

enelle Tucker attended First Baptist

I attended First Baptist Church school for eight years. I was cheerleader, class favorite, and vice-president of honor society at First Baptist. Now I am vice-president of freshman class. I am also involved in speech and drama a great deal. My hobbies include playing tennis, football, and basketball. I have played the piano since I was five years old. My plans for the future include graduating from St. Vincent's and going to college and medical school to become a psychiatrist. I hope to organize the first women's National Football League.

ori Rucker

I was born in Shreveport. I attended Agnew for eight years. This is my second year at St. Vincent's. I have been in Pep Squad, French club, and debate club. I enjoy skiing, tennis, and running. Past honors at St. Vincent's include outstanding Pep Squad member of the year, and being elected to the Crowning Court for the 1984 Mother's Day mass.

ebecca Fox

My name is Rebecca and I'm now a sophomore at St. Vincent's I attended grade school at First Baptist Church School of which I am a member. My hobbies include bike riding, tennis, and both water and snow skiing. My interests are in the arts program as well as all sports activities. I was told to write of an adventurous event or something that has happened to me, and the first thing that comes to mind is the summer that I went on a medical missionary trip to Mexico. Everything there opened my eyes to the way they live, especially the time I assisted in the birth of a baby. I also have attended summer camp for the past seven summers. Last summer I was chosen chief of my tribe.

B_{eth Batson}

My name is Beth. I was born in Shreveport and have lived here all of my life. Before I came to St. Vincent's I attended St. Joseph's School. I am now a member of the Junior Class. When most people think of school, homework and classes immediately come to mind. I agree, yet St. Vincent's is much more! I have such a fun time learning with all of my friends. Classes become more than just lectures — discussions can be so interesting! Lastly I am proud to say that I am a member of the famous "Purple Reign!" Yeah, Juniors.

acki Richardson

I was born in Houston, Texas and I live with my mother and my older brother, Heath. I like dancing and modeling. I do not dance much anymore, but I model every chance I get. I've gone to many different schools and have lived all over the United States. I am planning on attending Louisiana State University in Baton Rouge after I graduate. I would like to go into the field of fashion merchandising and maybe someday own my own clothing boutique.

elissa Berner

High school has been great for me. My favorite things about high school have been boys, food, and dancing. I don't expect that will change when I go to college next year, either. When I was little, I took ballet for seven years. Maybe that's why I like to dance so much today. I like to look at magazines and fashions. I love to get new clothes, especially shoes. My biggest weakness is chocolate, in any way, shape, or form. I am, without a doubt, a veritable chocoholic. Or maybe I should say foodaholic. I can't wait to go to college; I am always ready for new experiences. My only problem is that I can't decide where to go. I love to travel. My favorite sport is tennis, although I'm better at watching it than playing it. I also like to swim. Spring is my favorite time of the year - I love spring flowers. My best friend is my cat; she doesn't have a name, but I love her anyway.

acqueline Mettz

I attended St. Joseph's grade school. At St. Vincent's I have been in art club for four years; Freshman year I was reporter; Sophomore year, president; and Junior year, secretary. I have been in GALS club for two years. I was Senior Christmas Spirit Girl. I've been playing the piano for six years. I sing as well, I went to the Sewanee Summer Music Center in the summer of 1982. This year I performed in the opera "The Mikado." My hobby is art; I enjoy sailing, skiing, and doing charity work. I am from a family of five, three sisters and one brother. I am eighteen years old. My birthday is December 15. This summer I am going to be a counselor at Camp Gulf Park. Next year I plan to attend college at University of Mississippi where I will major in music.

BE CHOOSY.

Selecting each student who attends Centenary College is one of the most important decisions we make.

Our students are achievers; they are motivated to succeed in challenging scholastic programs.

They are leaders, shaping and directing a wide variety of extra-curricular activities.

They are open to new ideas and talk frequently and freely with faculty, staff, and peers.

They are fun-loving – they reach out, care, and take a personal interest.

Selecting the right college may be one of the most important decisions you will ever make.

ACROSS THREE CENTURIES IN The OLD WORLD and the NEW

The DAUGHTERS of the CROSS have served with VALOR and with LOVE in varied apostolates. They PIONEERED in CENTRAL and NORTH LOUISIANA, beginning in the Mid-Nineteenth Century. As St. Vincent de Paul predictably said, so long ago, to the struggling, infant Community, "YOU WILL PREVAIL!" And so they did and DO!

In the days when Christ walked the earth and began to hand-pick His disciples He was addressed one day in this manner, "MASTER, WHERE DWELLEST THOU?" He replied, "COME AND SEE." We, also, say to you, "Come and see — Where we live, How we live, and What we do for a living." Learn the possibilities, for you, of a fulfilling professional life as a member of a well-knit Community having a richly rewarding SPIRITUAL life.
